**PLEASE RAISE AS MUCH SPONSORSHIP AS POSSIBLE!**

## What is Gift Aid

Gift Aid is a way for charities to increase the value of monetary gifts from UK taxpayers by claiming back the basic rate tax paid by the donor. This means that for every £1 donated by a UK tax payer, the charity can claim an extra 28p for their charity.

**We, who have given our names below, and who have ticked the box headed 'Gift Aid?', want the charities named above to reclaim tax on the donation detailed below, given on the date shown. We understand that each of us must be UK tax payers and pay an amount of income tax or capital gains tax equal to the tax reclaimed by the charities on the donation.*
